

Catering at the AHOY

Our catering is supplied by Proper Grub, just as the name suggests you will get great quality, home-cooked food for excellent value.

We offer three levels of catering package: **Bronze, Silver and Gold.**

Menu choices are planned around your needs, whether you're holding a meeting or out on the water on a team-building day. Locally-sourced food will change with the seasons, but there is a menu to suit all tastes and your budget. Our catering supplier will discuss particular requirements and tailor the menu to your dietary needs.

Catering must be booked and confirmed at least 7 days in advance and menus will be agreed at time of booking. Proper Grub caters for all dietary needs and variations, please discuss at time of booking.
